

Welcome Back!

Briefing Slides for Release of O-Level Results

12 January 2023

Dear students,

As we gather here today, let us
all celebrate our efforts!

*Finally, we are going to
get our results!*

Think about your opportunities

*Are we all going to
be okay?*

Remember that **everyone's** learning journey is different
but **we** can each have a fulfilling outcome!

No matter the circumstances, there is always a way forward.

Stop

- Calm yourself down. Take a few deep breaths.

Think

- Think through the different options that are available for you. Keep things in perspective.
- Remember that the O-Level is one part of your life journey and not the destination.

Do

- Approach a trusted adult and seek his/her help. Have a conversation with this person about what would be best for you.
- Make a decision and take action based on your options.

When you receive your results, you may experience a range of emotions.

Managing these emotions well will allow you to stay calm and make rational decisions.

**Keep a lookout for
some of these signs
in your peers or
yourself.**

*How can we
support one
another?*

D

Deliberately avoiding others

I

Increased irritability, restlessness, agitation, stress and anxiety

S

Sending or posting moody messages on social media

T

Talking about death or dying

R

Reacting differently or gradually losing interest in things they used to like

E

Eating more than usual or having a much reduced appetite

S

Sleep pattern changes with difficulty falling asleep or oversleeping

S

Slowing down of energy levels

If you notice any of these signs in yourself or your friends,
have a chat with your school counsellor or teacher
Or contact SOS 24-hour hotline at **1800-221-4444**
